

Clinical Seminar Perinatology: Optimal Start in Life

 Altstadt Hotel, Passau, Germany
Date: 12 – 14 June 2024

Objectives

IPOKRATES seminars provide high quality postgraduate education which enables professionals to keep abreast of the most recent developments and offers participants the opportunity to discuss clinical problems or scientific issues personally with international experts. This unique seminar offers an excellent insight into dialog of obstetricians and neonatologists, to provide the best possible start in life - also in special risk situations.

Lecturers

Noelle Breslin	Columbia University, Department of Obstetrics and Gynecology, New York, USA
Andreas Flemmer	Ludwig-Maximilians-University, Division of Neonatology, Munich, Bavaria, Germany
Matthias Keller	Technical University Munich, Children's Hospital Passau, Bavaria, Germany
Satyanarayana Lakshminrusimha	UC Davis Children's Hospital, Sacramento, CA, USA
Richard Polin	Columbia University, Department of Pediatrics, New York, USA
